

Sirius Mathematics Center Sochi, Russia

Established in 2019 by the “Talent and Success” Educational Foundation

Scientific Board

- [Maria J. Esteban](#) (CEREMADE, CNRS and Université Paris-Dauphine, Paris)
- [Sergey Lando](#) (Higher School of Economics, Moscow & Skolkovo Institute of Science and Technology)
- [Ari Laptev](#) (SMC, Director; Imperial College London)
- Alexey Shchuplev (SMC, Vice Director)
- [August Tsikh](#) (Siberian Federal University, Krasnoyarsk)

Sirius Mathematics Center is an international institution for research and postgraduate training in mathematical sciences

The Center uses the facilities of the Omega Sirius Park Hotel located between Sochi Olympic Park and the former Olympic Village near the Black Sea coast

Location

Weather in Sochi

- **Average air temperature at the sea level in middle September is +22 Celsius degrees**
- **Average water temperature in middle September is +23 Celsius degrees**
- **On average, September in Sochi has 14 clear days**

Sochi is the site of 2014 Winter Olympics ...

... and the home of Formula One Russia

Transportation

- **Direct flights from Moscow, Saint Petersburg, and Istanbul**
- **Flight time from Moscow to Sochi is 2 hours**
- **Sirius Math Center is 15 minutes by taxi from Sochi International Airport**
- **Time difference between Linz and Sochi is one hour**

Accommodation in Omega Sirius Park Hotel

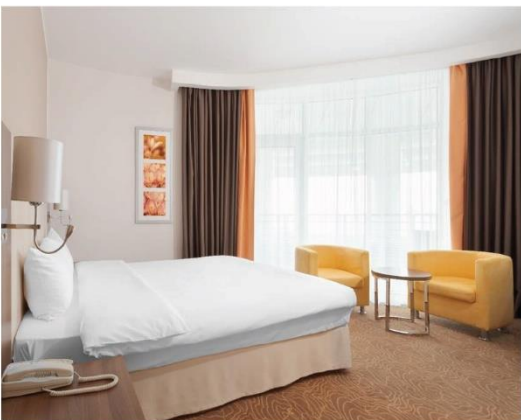

**Price range: 50-80 euro per night with early
reservation**

Wide selection of rooms available

Excellent dining and recreational facilities

Lobby bar and restaurant

Seaview and private beach

Conference halls of various sizes

Main congress center

Recent conferences hosted by Sirius Mathematics Center

- **Spectral Theory and Mathematical Physics, Feb 2 - 8, 2020**
- **Quantum Mechanics of Artificial Material Structures, Feb 16 - 22, 2020**
- **Integrable Systems and Automorphic Forms, February 24-28, 2020**

Professor Werner Nahm at Sirius Math Center

Upcoming events

- **Spectral and Functional Inequalities and Their Applications, Nov 15 - 25, 2020**
- **Multidimensional Residues and Tropical Geometry, Nov 29 - Dec 5, 2020**
- **Computational Bayesian Statistics in Ecology, Dec 13 - 19, 2020**

Cultural program in Sochi

Sochi Skypark

Sochi Olympic Park

Numerous sightseeing options
